Another attempt to find the owners of 6 rings that have been found and turned into the MS office this school year. All 6 are quality rings (not costume jewelry). One is a diamond engagement ring, one is a silver band with inscription inside the band and the others are bands w/small diamonds. Please stop by the office to identify and claim! Also, a reminder to have your students or yourselves stop by our Lost & Found. We have a huge collection of unclaimed items ranging from coats, shoes, lunch boxes, books, pants, etc.
